

Discover Great Adventures—

For the Whole Family!

Penguins of Antarctica

National Geographic Live and award-winning scientist Heather Lynch share amazing video footage and stories of the penguins, along with an abundance of other life, found at the bottom of the world. Bring the whole family for this multimedia event and learn about the clever residents of the harshest environment on earth!

Wednesday, April 22, 7:30pm

Music of Film

Artistic Partner and violinist James Ehnes joins the Naples Philharmonic and Artistic and Music Director Alexander Shelley for an exciting program of film-related works. You don't want to miss a note of Dukas' *The Sorcerer's Apprentice*; Korngold's *The Adventures of Robin Hood: Symphonic Portrait*; Gershwin's *Porgy and Bess: A Symphonic Picture* and more.

Tuesday, April 28, 7:30pm

Swan Lake

Grace and beauty take center stage in Naples Ballet's production of *Swan Lake*, featuring student dancers alongside professional soloists from American Ballet Theatre. Plus, Associate Conductor Manuel López-Gómez and the Naples Philharmonic bring Tchaikovsky's iconic score to life in this magical tale of love and transformation.
