

Teen Social Group

NEW!

MAY 22, 2026 AT 6:30-8:00 PM

3161 SANTA BARBARA BLVD

NAPLES, FL 34116

This group is designed for teens with autism who communicate verbally, enjoy small-group settings, and can participate in structured social activities with general supervision. It is a good fit for teens who are generally independent during activities, can follow group expectations with light support, and feel comfortable engaging in reciprocal conversation and peer interaction. This one's just for teens. Parents are always welcome to stay and unwind in our parent room while their teen does their thing. This one's all about giving teens their own space to connect.
