Dear Parents and Students,

The Naples Woman's Club sponsors the Juniorettes program for high school girls who enjoy giving back through community service. We welcome students in 9th through 12th grades, who are looking for opportunities to earn service hours by volunteering at monthly events.

It is an opportunity for young women to belong to an organization whose goal is to make a difference in our world through community service. Most events will take place on Saturdays or Sundays.

Parents are responsible for dropping off and picking up their daughters at the Naples Woman's Club, located at 570 Park Avenue, or at the community event site in Naples.

There are many benefits for students when they belong to the Juniorettes:

1. Having fun with like-minded young women and making new friends.
2. Completing community service graduation requirements for college admissions.
3. Exploring education and career possibilities, as they meet our adult NWC members.
4. Participating in diversified activities, which contribute positively to their community.
5. Developing and practicing leadership skills and gaining self confidence.
6. Developing social awareness and global consciousness.

If you would like your daughter to participate in Juniorettes, please have her contact **Susan Schiraldi at 330-540-4796 or Eileen Beam at 609-462-7010.**

Sincerely,

Susan Schiraldi
